AMERISTEP THROWDOWN 3 PANEL BLIND MOSSY OAK

AMSAMEBL0258

DESCRIPTION

The Throwdown™ does just what you'd expect: gets you ready for gobblers and predators to roll in within seconds. The patented hub design with integrated stake system holds the Throwdown to just one piece of gear to keep track of, and it easily stows in your turkey vest for quick access. For such a compact blind, the Throwdown has impressive concealment power able to cover two hunters with extra camouflage from realistic 3D leafy die-cuts. The paneled hubs are really what push this blind to the head of the pack, by creating a compact footprint with a solid hold that won't fall down when the moment of truth arrives. Mossy Oak Obsession

FEATURES

- 3D leafy die-cut panels camouflage in all seasons
- Ultra-compact with quick setup for run-and-gun hunting
- Three-panel blind large enough to conceal two hunters
- Patented hub design with integrated stake system eliminates loose parts
- Integrated strap keeps blind closed for transport
- ZS3™ fabric reduces noise and sheen
- Mossy Oak Obsession

AMERISTEP 4-SPUR GROUND BLIND MOSSY OAK

AMERISTEP SILENT BRICKHOUSE BLIND MOS OAK and WIDE BOTTOM

AMSAMEBF3007 / AMSAMEBF3007-WB

DESCRIPTION

The Silent Brickhouse™ takes a good thing and makes it even better. The original Brickhouse easily camouflages up to three hunters, but the Silent Brickhouse further conceals those hunters with complete silence. New for 2018, a hinged silent door design simplifies entrance and exit with absolutely zero noise. Additionally, the silent mesh attachment mutes any window adjustments as you find your shot. Nature may be listening, but this blind will make sure whatever you're hunting doesn't hear a sound.

FEATURES

- New hinged silent door for easy access and silent entry/exit
- Silent mesh attachment on windows silences open/close
- Organic, natural-shaped window openings blend into environment
- Shoot-through mesh windows with gun ports
- Brush loops for adding natural foliage
- Durashell™ Plus fabric shell with matte finish
- Rugged Spider Hub® frame for easy setup and takedown
- ShadowGuard™ coating eliminates shadows and silhouettes
