

PRODUCT CATALOGUE

ANIMAL TRAPS • BAIT CAGES

Custom-built steel traps, from rats to leopards

SINGLE & DOUBLE DOOR TRAPS

RATS

PORCUPINES

WARTHOGS

FOXES

CARACALS

LEOPARDS

Single Door Trap

Heavy-duty welded steel frame, drop-door catch mechanism

Double Door Trap

Two independent drop doors with enclosed rear bait compartment

Every trap is custom-built to order in heavy-gauge welded steel, sized to suit anything from rats and porcupines to warthogs, foxes, caracals and even leopards. Choose a single trap door for a straightforward catch, or a double door design with a protected bait compartment for larger or more cautious animals.

BAIT CAGES FOR POULTRY

CHICKENS

GUINEA FOWL

Fine-Mesh Bait Cage

Diamond-mesh cage keeps live bait secure inside the trap

Fine-Mesh Bait Cage

Lift-arm trigger, built to the same rugged standard

Our fine diamond-mesh bait cages are built to safely house a live chicken or guinea fowl inside a larger animal trap, keeping the bait secure and unharmed while still drawing in the target predator. Built with the same durable steel construction as our animal traps.
